God's name is Love

By Elise L. Moore, C.S.B.

Residents of a town outside Boston, Massachusetts recently voted to impose a \$20 fine for public profanity. Maybe they were thinking about the Third Commandment, "You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in vain."

I want to honor God, not speak His name in anger or to shock others. God is the power of good, and is present to heal and bless us. Calling on God with love and gratitude is honoring God. Speaking the name of God without love would be taking the name of God in vain. God is Love. God exists. God is the power of love and good, present on Earth. Every time we speak the name of God, we are calling on the power of divine Love to help and to heal us. God is able to help you.

So today, let's know the name of God is Love. The name of God is good. Let's praise God and magnify His holy name. Let's call on God with gratitude and love, and strength in our conviction that divine Love is working to heal and save you. Prayer is powerful. God's name is powerful. Let's pray in the name of God with humility and expectancy of good. God's name is Love.
